Groups Ask Gaetz to Draw New Districts in the Sunshine

TALLAHASSEE, FL -- The League of Women Voters of Florida, National Council of La Raza and Common Cause Florida sent the attached letter to Senator Don Gaetz this morning. The groups ask Senator Gaetz to allow the public to observe legislative staff as they engage in the actual process of redrawing the Senate map. They also request that the public be allowed to be present when staff confers with senators about their suggestions for the new map.
