Dear Gov. DeSantis,

TREASURER
Mark Songer

On behalf of the board of directors of the League of Women Voters of Florida, I thank you and Secretary of State Laurel Lee for your administration’s decision to enter Florida into the multistate partnership known as the Electronic Information Registration Center (ERIC).

SECRETARY
Lisa Hall

With Florida entering membership, ERIC will now comprise of 29 states and the District of Columbia. Membership will only increase approaching the 2020 general election and beyond, leading to additional information sharing between states and heightened confidence in the integrity of our voter rolls. Outreach and education to the estimated 4.1 million eligible but unregistered voters in Florida, a requirement of membership, is also a significant cause for celebration.
